MEMORANDUM FOR: Kenneth De Graffenreid  
National Security Council

SUBJECT: Request for Assistance

Ken:

1. Attached is a list of questions that our analysts, in dealing with instability in certain governments, would like answered. They feel that the AID organization, particularly their field personnel, might have the answers. As I mentioned in our meeting with Judge Clark, AID is reluctant to respond to questions from the Agency and certainly would not accept any form of tasking. Possibly through your good offices, however, you might ask the attached of AID. If you get any responses please reply directly to me.

2. You will note that we have not classified these questions, though they are indeed sensitive in a political sense. Please to your discretion how to handle them with AID. Appreciate your cooperation.
